Fitting & Dispensing

GAE Industries employee's may use either of the fitting centers listed :

Dr. Mary Stewart
125 Main Street
Libertyburg, NS 02020

555-333-6589

Dr Carl Hoover
23 Pike Place
Palace City, NS 02021

555-332-2020

Please make an appointment at the fitting center for best possible service. Fitting centers have sample frames on site for fitting.

GAE Industries employees must present a Shannon Optical order form and current prescription at the fitting center to be fit for prescription safety glasses. An eye exam may be scheduled at the fitting center at the employees expense.

Shannon Optical will send the finished eye glasses to the fitting center to be dispensed to GAE Industries employees. The fitting center will contact the employee directly to set up a return visit.

A \$20.00 fitting fee per pair is charged to GAE Industries and paid to the fitting center by Shannon Optical. GAE Industries employees will not be required to pay the fitting center for fitting or dispensing.
